**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have only two choices for ISP. We need more competition in this industry, not less. Local broadband providers are crucial to keeping prices low and services great. I support the continuation of unbundled copper and inner-city fiber transport elements. I have been using local service provider as my ISP for years and I do not want to lose this choice.
